The Board of Supervisors of the County of San Mateo, State of California, do ordain as follows:

Section 1. Theodore C. Schwerin, having on the 6th day of July, 1908, filed with the Board of Supervisors of the County of San Mateo, State of California, a written application for the following franchise and privilege, to-wit: a franchise and privilege for the term of fifty (50) years from and after the date granting the same, to construct and operate upon Waldridge street and upon Milliken street (also called San Bruno road), public streets and roads in said County of San Mateo, a street railroad to be operated by electricity and horse power, and to erect poles and wires along said roads and streets for the purposes of said street railroad; also for a franchise and privilege for the same period of time permitting and authorizing the construction and operation upon said roads and streets for the said period of fifty (50) years, a street railroad of standard guage and width, to-wit: four (4) feet eight and one-half (8 1-2) inches with double tracks and necessary turnouts; said tracks to be constructed upon said roads and streets so that there will be a distance of five (5) feet six and one-quarter (6 1-4) inches from the center line of each track to the center line of said roads and streets, and a strip of land eleven (11) feet in width on either side of the center line of said roads and streets, upon which will be constructed said several and respective tracks.

And said application for franchise and privilege having been duly considered by said Board, and thereafter notice of the intended sale of said franchise was duly published as required by law; that thereafter, to-wit, on the 17th day of August, 1908, said Board of Supervisors in due and regular session received from said Theodore C. That subsequent to the opening of said bid of said Schwerin, no other bids or offers were made for the purchase of said franchise and privilege, whereupon the said Board upon said day last named accepted the said bid and offer of said Schwerin, and struck off, sold and awarded to him the said franchise and privilege for the said term of fifty (50) years; that thereafter, to-wit, on the 18th day of August, 1908, said Theodore C. Schwerin filed a bond running to said County of San Mateo, with two (2) good and sufficient sureties, in the penal sum of Three Thousand ($3000) Dollars, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of said franchise, and that in case of any breach of condition of said bond, the whole amount in the penal sum therein named shall be taken and deemed to be liquidated damages, and shall be recoverable from the principal and sureties upon said bond. That said bond was filed as aforesaid with said Board of Supervisors within five (5) days after said franchise and privilege had been awarded to said Schwerin; and the said Board of Supervisors having this day approved and ordered filed the said bond, it is now hereby ordained that the said franchise and privilege herein before mentioned be and the same is hereby granted to said Theodore C. Schwerin or his successors and assigns shall improve the portion of said roads and streets between the rails and upon two (2) feet on either side all rails which shall be laid thereon with material of the same kind and character that shall be used by the said County of San Mateo upon the remaining portions of said roads and streets; that said Schwerin, his successors or assigns shall during the entire term and life of said franchise continue to keep and maintain the portions of said roads and streets hereinbefore mentioned, in proper repair and condition with materials of the kind and character mentioned hereinbefore, provided, however, that all of such repairs and construction of said roads and streets hereby imposed upon the said Schwerin and his successors and assigns shall be at his and their sole cost and expense, and shall be made under the supervision and control of the Board of Supervisors of said County of San Mateo.

Section 4. It is further ordained that in the event that the roads and streets whereon said railroad is proposed to be constructed shall be watered and oiled by the Board of Supervisors of said County of San Mateo, that the portions thereof utilized by and under said franchise and privilege and for two (2) feet on either side of said rails shall be likewise watered and oiled by the said Schwerin, his successors or assigns.

Section 5. It is further ordained that said Schwerin, his successors or assigns, shall maintain and keep along the line of said railroad and upon said streets and roads, between the hours of sunset and sunrise, electric arc lights at distances of 500 feet which shall be kept burning for the protection of travelers.

Section 6. It is also ordained that if failure upon the part of said Schwerin, his successors or assigns, to keep and observe the provisions hereinbefore set forth with respect to lighting, watering, oiling and repairs, shall operate to forfeit said franchise at the option of the Board of Supervisors of said County of San Mateo.

COUNTY OFFICIAL PAPER.

D. E. O'KEEFE, Editor and Proprietor

FOR PRESIDENT
WILLIAM H. TAFT, OF OHIO.

Editor Times-Gazette: Take it for granted that the people of the Fifth Congressional district are to be congratulated on the nomination of the Hon. E. A. Hayes for Congress. Speaking for myself, I am glad that a Republican has been given us a show to representation in the national legislature; but apart from all things that have a bearing upon the national topics involved in the campaign, I wish to call the attention of the voters in this Congressional district to the fact that Mr. Hayes is the champion of true Americanism, which means that he wants the white man to be the participant of all the rights and liberties given by this nation to those who are its citizens and who are expected to defend it in the future as they have done in the past. In the district which Mr. Hayes has represented, and which it is hoped will continue to represent in the next Congress, there is a vital question for the people to consider and with a view to then exercise the privilege patriotically and intelligently. I allude to the Japanese question. We all know that Santa Clara valley is affected to a large extent, and to its detriment, by these people, and Mr. Hayes has spoken out manly for their exclusion. I have his speeches, to which I will refer at another time. But Mr. Hayes is making a fight for American ideals, for the white race which was triumphant at Marathon, and let us hope will be triumphant to the end. There is nothing to mar the success of our rights but our want of doing our duty. Republicans and Democrats can here unite. It is not a question of partisan politics. It is a question of America for ourselves or for Asiatics. A vote for Hayes simply says I am an American.

NOTICE IS HEREBY GIVEN THAT SEALED PROPOSALS WILL BE received up to the hour of ten o'clock a. m., on Monday, Sept 21, 1908, for the furnishing of labor and material for a sheet metal cornice and for the furnishing of a cornice to be made of number 26 crimped galvanized iron with stamped zinc ornaments, to be erected on the San Mateo County court house building, which is now in course of erection at Redwood City, California, in accordance with the designs, plans and specifications as prepared therefor by Glenn Allen, architect, and as adopted by said Board of Supervisors of said county, on the 15th day of June, 1908; said designs, plans and specifications may be had from said architect, Glenn Allen, at the Court House building at Redwood City, California, or at the office of the clerk of the Board of Supervisors of said county at the courthouse building of said county at Redwood City, San Mateo County, California.

Each proposal must be addressed to the Clerk of the Board of Supervisors of said county, Jos. H. MENLO PARK HAPPENINGS

Miss Mary Lawler Meets Tragic Death

A shocking accident occurred here last Tuseday night in which Miss Mary Harriet Lawler lost her life She had been residing in San Francisco and had come down to visit her aged mother. She came on the 7:29 train. No one saw her get off the car nor was the accident witnessed by any one. The night was very dark and there were no lights at the depot. About 25 minutes afterward the body was found by Ray Daly and Jas. G. Mason about 100 feet south of the depot. It was horribly mangl d and presented a sickening sight. The body lay on the side of the track and was almost cut to pieces. Soon a large crowd gathered and the remains were identified by James Hoff. The frightful accident has aroused the deepest sympathy for the bereaved family. Miss Lawler was born here 41 years ago and was the daughter of the late Andrew Lawler, one of the first settlers in Menlo Park. The deceased was an estimable young woman, beloved by all who knew her. She looked forward with delight to the visit which she was to pay her mother who is heart broken and cannot be consoled. Miss Lawler spent her school days here but for some years has been living in San Francisco. The funeral took place yesterdty. A large number of sorrowing relatives and friends followed the remains to Holy Cross Cemetery where all that was mortal of a good woman was consigned to the grave. The many costly floral tributes showed the popularity of the woman. Besides her aged mother there remain to mourn her three sisters, Mrs. W. Feeley, Mrs. Henrietta Fowler and Mrs. James Hoff, and Edward Lawler, a brother.

Coroner Plymire held an inquest in Armory Hall Thursday evening The jury brought in a verdict of accidental death and censured the Southern Pacific Company for not having lights at the depot in the evenings and also censured the train crew for not giving passengers better protection on arriving at their destination. The conductor,H . Grable, testified that he had three lady passengers for Menlo Park on the evening of September 15th. On arriving at the depot only two alighted. He received the signal from the brakeman that all were off but would not accept until the latter went through the train. He remained three minutes at the depot and after the train pulled out he made inquiries about Miss Lawler thinking perhaps that she would go to Palo Alto but could get no information from the passengers. The brakesman testified that when the train pulled out of Fair Oaks he say Miss Lawler going into the smoking car. She said she was making her way to the baggage car to get t dog and that was the last he saw of her. She had a suit case and bundles on her arm. The news boy saw her going toward the baggage car door. She was smiling and bought popcorn and a paper from him. The baggageman told how the dog was given him by Miss Lawler at Third and Townsend sttreets, San Francisco, and that he waited at Menlo for three minutes for some one to take the animal. The woman did not enter his car, Frost Summers, the assistant agent here, said he was off duty but inside the station when the 7.29 train arrived. There were no lights at the station when the train arrived. When the train pulled out he heard a granding noise. It was shown at the inquest that the body was dragged 200 feet and was found about thirty minutes after the train pulled out by Ray Daly and James G. Mason. The theory is advanced that Miss Lawler was on the platform between the smoking and baggage cars and as the train approached the station she slipped and fell underneath the car wheels. It was raining that evening and no doubt the platform was slippery. Some of her effects were found 102 feet north of the station and the body was discovered 60 feet south of the depot. Her great anxiety to get the canine caused her perhaps to get down on the lower step.

Should Be Complimented

The Leader believes an officer who does his duty fearlessly should be complimented as well as to criticise those who fail to perform their duty. Hence, we praise the stand of Sheriff Chatham in pointedly stating to the gang of gamblers who intended to open a "joint" near the county line that should they attempt to carry out their plans he would arrest them. District Attorney Bullock also is entitled to commendation for his timely co-operation with the sheriff in preserving the law in this county. Both these gentlemen object to any words of praise, saying they simply performed the duties expected of them by the people who placed them in office. But they have earned the thanks of every friend of clean government in checking this evil before it secured a foothold, hence these words of commendation. A gambling hell in this county will not be tolerated by our residents, and were it to stand would be patronized solely by the lower element of San Francisco. Such a place would not be permitted to exist in San Francisco for a moment, and the promoters who thought they had free rein to enter this county with their nefarious scheme were promptly and effectually stopped—thanks to our sheriff and district attorney.—San Mateo Leader.

KIPROFF JURY COULD NOT AGREE ON VERDICT

Case Against Slayer of Georgi Brothers May Be Dismissed

The trial of Todor Kiproff for the killing of Peter Georgi at South City last May was heard in the Superior Court Tuesday and Wednesday. The jury was out for over an hour and returned to the courtroom, making the statement to the Court that they could not agree. They were sent back with some additional instructions, but after all could not decide unanimously. The jury stood nine for acquittal and three for manslaughter.

The case has attracted considerable attention. Kiproff is a Macadonian and has been working at South San Francisco for two years. Last March the man who was killed lured his fellow countryman into the bakery business, and, according to the evidence, robbed Kiproff of all his money. His associate in the business and in the alleged robbery (Charles Georgi) was present on the day of the shooting. Kiproff had received a letter from home announcing the illness of one of his children and went to the bakery to get some money, but was told to go to the Western Meat Company. The following week he came again for a settlement, and during the conversation Charles Georgi drew a knife and advanced toward Kiproff and at the same time Peter Georgi held him on a chair. Kiproff drew his pistol and killed both the men.

In a former trial Kiproff was acquitted on the charge of killing Charles Georgi. The facts brought out by the defense showed conclusively that the accused acted in defense of his life.

The present case will most likely be dismissed, as no jury will convict under the circumstances.

CHAPTER 424. An act to provide for the issuance and sale of state bonds to create a fund for the construction by the board of state harbor commissioners of wharves, piers, seawall, state railroad, spurs and appurtenances in the city and county of San Francisco; to create a sinking fund for the payment of said bonds; and providing for the submission of this act to a vote of the people.

The people of the State of California, represented in senate and assembly, do enact as follows:

SECTION 1. For the purpose of providing a fund for the payment of the indebtedness hereby authorized to be incurred by the board of state harbor commissioners for the erection of wharves, piers, seawall, state railroad, spurs and appurtenances in the city and county of San Francisco, at a cost not to exceed two million dollars (which said wharves, piers, seawall, state railroad, spurs and appurtenances the board of state harbor commissioners are hereby empowered to construct in the manner authorized by law, and at a cost not to exceed said two million dollars), the state treasurer shall, immediately after the issuance of the proclamation of the governor provided for in section 10 hereof, prepare two thousand suitable bonds of the State of California, in the denomination of one thousand dollars each. The whole issue of said bonds shall not exceed the sum of two million dollars, and said bonds shall bear interest at the rate of four per centum per annum, from the time of the sale thereof, and both principal and interest shall be payable in gold coin of the present standard value, and they shall be payable at the office of the state treasurer, at the expiration of nineteen years from their date, subject, however, to redemption by lot as in this act hereinafter provided. Said bonds shall bear date the second day of January, A. D. nineteen hundred and nine, and shall be made payable on the second day of January, nineteen hundred and twenty-eight A. D. The interest accruing on such of said bonds as are sold, shall be due and payable at the office of the state treasurer on the second day of January, and on the second day of July, of each year after the sale of the same; **provided**, that the first payment of interest shall be made on the second day of January, A. D. nineteen hundred and ten, on so many of said bonds as may have been theretofore sold. At the expiration of nineteen years from the date of said bonds, all bonds sold shall cease to bear interest and likewise all bonds redeemed by lot shall cease to bear interest as in this act provided, and the said state treasurer shall call in, forthwith pay and cancel the same, out of the moneys in the second San Francisco seawall sinking fund provided for in this act, and, he shall on the first Monday of January, nineteen hundred and twenty-eight, also cancel and destroy all bonds not theretofore sold. All bonds issued shall be signed by the governor, and countersigned by the controller, and shall be endorsed by the state treasurer, and each shall have the seal of the state stamped thereon. Each bond shall contain a clause that it is subject to redemption by lot after the year nineteen hundred and eighteen.

SEC. 2. Interest coupons shall be attached to each of said bonds, so that such coupons may be removed without injury to or mutilation of the bond. Said coupons shall be consecutively numbered, and shall be signed by the state treasurer. But no interest on any of said bonds shall be paid for any time which may intervene between the date of any of said bonds and the issue and sale thereof to a purchaser.

SEC. 3. The sum of one thousand dollars is hereby appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. Said amount shall be paid out of the San Francisco harbor improvement fund on controller's warrants, duly drawn for that purpose.

SEC. 4. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as said treasurer shall be directed by the governor of the state under seal thereof, after a resolution requesting such sale shall have been adopted by the board of state harbor commissioners; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered; and he may, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered to such time and place as he may select. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in two newspapers published in the city and county of San Francisco, and also by publication in one newspaper published in the city of Oakland, and by publication in one newspaper published in the city of Los Angeles, and by publication in one newspaper published in the city of Sacramento, once a week during four weeks prior to such sale. The costs of such publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for that purpose. The proceeds of the sale of such bonds shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund to be known and designated as the "Second San Francisco Seawall Fund" and must be used exclusively for the construction of wharves, piers, seawall, state railroad, spurs and appurtenances thereto on the water front of the city and county of San Francisco. Drafts and warrants upon said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the San Francisco harbor improvement fund.

SEC. 5. For the payment of the principal and interest of said bonds a sinking fund, to be known and designated as the "Second San Francisco Seawall Sinking Fund" shall be, and the same is hereby created, as follows, to wit: The state treasurer shall, on the first day of each and every month after the sale of said bonds, take from the San Francisco harbor improvement fund such sum as, multiplied by the time the bonds then sold and outstanding have to run, will equal the principal of the bonds sold and outstanding at the time said treasurer shall so take said sum from said San Francisco harbor improvement fund, less the amount theretofore taken therefrom for said purpose; and he shall place the sum in the second San Francisco seawall sinking fund created by this act. Said state treasurer shall, on controller's warrants, duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the State of California, or of the several counties or municipalities of the State of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must keep always on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have heretofore been sold. And to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the San Francisco harbor improvement fund, and pay into said seawall sinking fund, an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners are hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage to collect a sum of money sufficient for the purposes of this act, over and above the amount limited by section two thousand five hundred and twenty-six of the Political Code of the State of California. Between the first and tenth day of November, in the year nineteen hundred and eighteen and between the first and tenth day of November of each year thereafter until the maturity of said bonds the said treasurer shall, in the presence of the governor, proceed to draw by lots such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund at that time, and shall thereupon and before the tenth day of December following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the city and county of San Francisco, and also in one newspaper published in the city of Oakland, and also in one newspaper published in the city of Los Angeles, and also in one newspaper published in the city of Sacramento, stating the number of bonds so drawn and that the principal of said bonds will be paid on presentation to the treasurer on or before the second day of January, following, and that from and after such last named date, all interest upon bonds thus drawn shall cease, and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid to cancel the same, and the interest coupons thereon, and each year beginning with the year nineteen hundred and eighteen, the said treasurer shall in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereinabove stated. After the payment of all said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the San Francisco harbor improvement fund. At the time of the respective drawings by lot, as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States or other bonds then in said sinking fund, at governing market rates, after advertising the sale thereof in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds out of said moneys in said fund in extinguishment of said bonds on controller's warrants duly drawn for that purpose.

SEC. 6. The state controller and the state treasurer shall keep full and particular account and record of all their proceedings under this act and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

SEC. 7. It shall be the duty of the state treasurer to pay the interest of said bonds, when the same falls due, out of the sinking fund provided for in this act, on controller's warrants duly drawn for that purpose.

SEC. 8. This act, if adopted by the people shall take effect on the thirty-first day of December, A. D. nineteen hundred and eight, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

SEC. 9. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be holden in the month of November, A. D. nineteen hundred and eight, and all ballots at said election shall have printed thereon and at the end thereof, the words, "For the San Francisco Seawall Act," and in a separate lines under the same words, "Against the San Francisco Seawall Act," and opposite said lines there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against the said act, and those voting for said act shall do so by placing a cross opposite the words "For the San Francisco Seawall Act," and all those voting against the said act shall do so by placing a cross opposite the words "Against the San Francisco Seawall Act." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 10. The votes cast for or against this act shall be counted, returned and convassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

SEC. 11. It shall be the duty of the secretary of state to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be holden in the month of November, A. D. nineteen hundred and eight, the costs of publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for that purpose.

SEC. 12. This act may be known and cited as the "Second San Francisco Seawall Act."
